

Pennsylvania Prospectors Monthly Meeting Minutes

The July meeting and annual Outing of the PA Prospectors was held on Saturday July 16th at the Frank Gray Property. The afternoon meeting was called to order by President Gary Bramhall. There were 36 members in attendance. The pledge to the flag was given. Role call of officers held. All officers were in attendance.

The minutes of the June 18th meeting were read , and upon motion by Cliff Adams and seconded by Claude Martin approved as read.

The treasurer's report was given approved on motion by Linda Houseknecht and seconded by Bob James.

Under old business, not much old business was discussed. Secretary Jim made an attempt to offer thanks to the all who showed, and helped out in any way, but he didn't do justice to the efforts of so many people that made it a wonderful weekend.

Under new business, Carol Schick made an impassioned suggestion that we seriously consider getting out as a group in 2017 and suggested we look into going back to Maine or maybe New Hampshire and getting cabin. There was also commentary about getting meeting notices in some of the local newspapers in order to help bring in some new people. It was stated that there are more people interested in prospecting than we're bringing in and we ought to get the word out better.

There being no further business, the giveaways were held, the meeting was closed with a prayer by Chaplain Claude, and a wonderful pot luck was enjoyed by all shortly before the heavens unloaded and caused all sorts of mayhem.

Sincerely,
JDH Secretary
