

Pennsylvania Prospectors April 2017 Meeting Minutes

A regular meeting of the PA Prospectors was held on April 15th at the Lightstreet United Methodist Church. Prior to the meeting an impromptu Easter Egg hunt was held, and all eggs found by one energetic young egg hunter.

The meeting was called to order at approximately 11:30 AM by President Gary Bramhall. There were 25 members in attendance. The pledge to the flag was given. Role call of officers held. All officers were in attendance.

The minutes of the special March 2017 meeting were read , and upon motion by Cliff Adams and second by Bob James approved as read.

The treasurer's report was given approved on motion by Claude and seconded by Bob Hettinger. New bills were presented and ordered paid.

Under old business, the July outing occupied a large part of the discussion. Secretary Jim was instructed to order a bucket sluice, in addition to the prizes already in hand.

A sign-up sheet was begun for campers. There were discussions about food and drawings. Gary Lucas was directed to make contact with Frank Gray about the summer meetings and July outing at his place, and to see if there was anything the club could do to help him get the place ready.

There was discussion regarding the May meeting, and in order to have a location that wasn't weather dependent, on a motion but Cliff and seconded by Bob H, we decided to stay at Lightstreet for May.

Also under old business, a trip to North Carolina in late April or early May was again brought up. Some of the original attendees can't make it so discussions are ongoing. Bring your own bucket was discussed and Andy said he would bring the dirt he has at his place for any club members who wanted to get their pans wet and look for color.

There was no new business to discuss.

The drawings were held, the meeting was closed with a prayer from Chaplain Claude, and the pot luck and fellowship were enjoyed by all.
