

Pennsylvania Prospectors December 2017 Meeting Minutes

The December 2017 Meeting and Christmas Party for the PA Prospectors was held on Saturday December 15th at the Lightstreet United Methodist Church. The group assembled early, and after the pledge and a brief prayer were treated to a meal fit for Royalty. Following the meal, and ample desserts, an even briefer meeting was held. Role call of officers take. Officers in attendance were President Gary and Secretary Treasurer Jim.

The minutes of the November 2017 meeting were read, and approved. The Treasurer's report was read, as well as current bills, and approved on a motion from Don Beagel and seconded by Eileen Kovatch.

There not being much business to transact, we went into the drawings, and several lucky winners took home something nice.

We closed with a prayer from Chaplain Claude, and everyone pitched in to help clean up before setting off for home.
