

Pennsylvania Prospectors June 2018 Meeting Minutes

The June 2018 Meeting of the PA Prospectors was held on Saturday June 16th at the Frank Gray Property. There were 25 members present in all. President Gary led us in the pledge at approximately 11:30 AM.

Role call of officers was taken. All officers were in attendance.

The minutes of the May 2018 meeting were read, and approved on motion by Bill Beahm and Dixie Dawson. The Treasurer's report as well as current bills were read, and were approved on motion of Claude Martin and Linda Houseknecht.

A brief report was made about the property and Fran has everything looking great as always. The portable bathrooms were cleaned for the meeting, and the club would pay half of the, plus the meeting cost.

The July outing was briefly considered in detail and a checklist was read off. Things are taking shape nicely, food, activities, and all looking good.

Frank's neighbor might be interested in setting up a spot at the outing to sell some things, and it was inquired whether to charge and how much. Logic dictated that as a site space would be occupied, it should fall under the rules as if camping. Don and Sharon beagle may consider that option as well.

We opted not to do burgers and dogs because there was another thing going on at the property for later in the day and we need to clear out a bit earlier.

Tony Burkey had told SecreTreasurer Jim that the invoice for the web page came in and he paid it. He said it would be his donation to the club. Tony was acknowledged and thank by the club for his grand gesture. Thanks again Tony!

Reports being finished, the drawings were held, a closing blessing from Chaplain Claude was given, and our pot luck was enjoyed by all.
