

Pennsylvania Prospectors August 2018 Meeting Minutes

The August 2018 Meeting of the PA Prospectors was held on Saturday August 18th at the Lightstreet United Methodist Church. The location of the meeting was changed earlier in the week due to the flooding at Frank Gray's property from all the rainfall we had gotten. There were 20 members present recorded in all. President Gary led us in the pledge at approximately 11:30 AM.

Role call of officers was taken. All officers were in attendance.

The minutes of the July 2018 meeting were read, and approved on motion by Claude Martin Bill Valora. The Treasurer's report as well as current bills were read, and were approved on motion of Don Beagle and Bill Beahm.

Henry announced to the club that he had gotten windshield stickers printed and anyone interested, they are available for \$1.00 apiece.

A short discussion was held regarding the Christmas Party, and given that we had pulled through the outing fairly well, it was suggested that the club consider upping the amount for the Christmas gift from \$15 to \$20 this year. A quick assessment from Secretary Treasurer Jim indicated that we could likely handle the difference, and a motion was made by Gary Lucas, seconded by Claude, and passed. Those who attend three meetings from January through November qualify for either a gas card or gold bag worth \$20.

Robin reported on Frank's property after all the storms, and basically it wasn't very good. The place was a mess due to the high water.

Prior to the drawings, it was announced that Hope's birthday was the following day, and a slightly offkey chorus of happy birthday was sung over an impromptu birthday cupcake.

Afterward, there being no additional formal business the meeting was adjourned in prayer from Chaplain Claude and we all dug in once again before heading home.
