

Pennsylvania Prospectors December 2018 Meeting Minutes

The December meeting and Annual Christmas party of the PA Prospectors was held on Saturday December 15th 2018. There were 36 members in attendance, including all officers.

It being the Christmas party, at about 11 AM when our chief chefs notified us that all was ready, we called upon our own Chaplain Claude to offer up a pre-meal blessing for the hungry and restless throng. Immediately following, the mostly orderly (not oderly) crowd fill their plates and then their bellies.

Secretary Jim tried a few times during this interval to dispatch business, but the revelers would have none of that, and they ordered him back to his seat each time. When most finally had their fill of dinner and dessert, they permitted said secretary to begin the gift exchange, whereupon the lucky participants opened gifts from a-near and afar. Moving on, to rush through the business, reports were given, motions made to accept but who the heck remembers because I sure don't. The bills were then read and ordered approved on a motion by Dixie and Don Beagle. That part I did have written down.

The business having been attended to, we then set out to have our monthly drawings for the 50/50 and nugget draw, and finally, finally, the large Christmas draw and there were many happy faces, and even more sad ones.

Having finished the giveaways, we closed with another prayer from Chaplain Claude and wished each other Merry Christmas and safe journeys, set the church back in good order (thanks to all who pitched in and helped), and went off on our merriest of ways.

Secretary Jim
