

Pennsylvania Prospectors June 2019 Meeting Minutes

The June 2019 Meeting of the PA Prospectors was held on Saturday June 15th at the Frank Gray property. There were 26 members present in all. President Gary led us in the pledge at approximately 11:30.

Role call of officers was taken. All officers were in attendance.

The minutes of the May general meeting were read and approved on motion of Sheriff Bob Hettinger and Carol Schick. Treasurer's report was read and approved on motion of Linda Houseknecht and Bill Beahm. Bills were read, and a magnanimous gesture from Frank to donate back the rent was quickly but appreciatively rejected, and current bills were ordered paid on motion of Don Beagle and Claude Martin.

The outing was the primary topic of discussion. Food was discussed in length, and things are proceeding. Also mentioned was Bingo, the duck race(s), the common dig, metal hunt, and camping. Things are taking shape. The port-a-potty discussion was held and it was decided to order two, one regular and one handicap due to there being fewer campers. Frank also stated that he could open his as well.

The large drawing was brought up, and since there wasn't a full list of items in the draw, President Gary suggested making a decision and giving 6 crisp \$50 bills. The motion was made and passed, but as Secretary Jim talks too much and writes too little, he didn't record who actually made the motion, but it was pretty much unanimous.

Election of officers was again brought up, and the floor was reopened for nominations. There us one nomination for President, Gary, and Don Beagle had made it known that he'd accept a nomination for Vice President, which was quickly handled. No one came forward for the Secretary, Treasurer or Secretary-Treasurer position.

There being no further reports or business, drawings were held, the meeting closed in prayer from Chaplain Claude, and we chowed down yet again.
