

Pennsylvania Prospectors January 2021 Meeting Minutes

A virtual meeting of the Pa Prospector's Gold club was held on January 16, 2021. There were 6 in attendance, with all officers present.

The minutes were read by Secretary Sharon, they were accepted by Eileen and seconded by Eileen. Next, the treasurer's report was read. It was accepted by Sharon and approved by Bill. There were no bills for this month.

Two new people contacted us about joining the club. Information was e-mailed back to them about our meetings.

Under new business, Ryan asked about what the best metal detector for gold was. Suggestions on who to contact were made.

Sharon discussed the possibility on having a virtual door prize, since we cannot meet in person and to encourage more people to join. A discussion was made, and it was suggested that we use a number generator to choose the winner. Sharon made a motion to include this in our February meeting. It was approved unanimously.

Gary suggested that if Knoebel's opens we hold a meeting there in the Spring.

Our next meeting will be held on Saturday February 20th, 2021 and will be on [freeconferencecall.com](https://www.freeconferencecall.com). The service is accessible online, by phone, and cellphone app. We hope to be able to continue with the conference calls when we can meet in person as well. We will be e-mailing all members about our next meeting along with the login information.

The meeting was adjourned.

Respectfully submitted,

Sharon Beagle, Secretary
